have received since the insue of the CotRIER ye I rday morning. New York and
New Jersey have both voted for Seymonr
and Blair, being the only two Northern
States that have gone Democratic.
Since the October elections there has
been but little, it any, doubt of the election
of Grant, and, that fact having been ascertained early Tucaday night, but little inicrest attaches to the details as they come
in.

AMUSEMENTS. A TRUI III. (SDAF QUISTIGS.

The spl no 'd speech es made hy Gov.

Seymour during his late tour seem to love fallen upon listless cars, as the returns show kladical gains at almost every point where he addressed the pe pic

2.37 The election returns up to this time give every little information about the Congression at curvas a We gath r chough, however, to warrant us in say g that the Democrate gains in Cougram are greater than we hoped for, judyd ig from the res. To the Presidential contest.

In New Jernsy we clock four Congressions gain of two. In Missouri we gain on certain of two. In Missouri we gain on certain of two. In Missouri we gain on certain states we have a second of the most believe than the substituted as the second of the most believe that we hoped for, judyd ig from the res. To the Presidential contest.

In New Jernsy we clock four Congressions of the most be autiful ladden and the substituted to the union of the most be autiful ladden and the substituted of the most begain our certain of two. In Missouri we gain on certain the substitute of the most beautiful ladden and tegant joung cents of our city. It was a very lappy affair, and all enjoyed it to the utmost catesti.

CITY IMPROVEMENTS. whatever ab a Congressmen elected, but from the fact of the State going overwhelmingly for Saymon, we think we are justifiable in claiming our out of the ax. This gives a clear gain so far of twelve, and makes a difference of twenty four in the complexion of the House of Expresentatives.

There was a time, it is true, when will of c 1 store it is priety and soping, as it were, against hope, we duty of mal tax the and virtual aought It not impossible, and perhaps not party or an at Torrell to even improbable, that our candilate for he that the Radi Proteins, would prove successful. So deep were our since he as the his health will deown convictions of the necessity for effect. cline 1 g : 1 d 1 is 1 c : will as 1 lusion that Radical principle is become his self much be r for the moral inpatible with the permanency of our time of and the part and feed to the time honored system of constitutional govern-ment, that we almost persuaded ourself gur. The pre-nt this fix more it will that victory would, in spite of every hau he re I, ow i his clustion to office spicious circumstance, perch upon our ban- to the very party and a twhese later to on the first Tuesday in November, line ev r content des toutly, in he This delusive hope, which we in common half of countries as all sup 11 with so many other Democrats chere led be a very bad man, bleed, who would was buoyed up and stren thened by the actually carry the diract um of Refedented reaction that seemed to be calum with him i to be Whi Il taking place in Northern sentiment. But But, however trent may behave him t when the October elections came the flat, as Provide it, the country of Dissers it fills tering prospect conjured up by our hopes rudely dispelled, and we saw that we ever to be volt a Radicil - and rehad been expecting little less than a mira- tored to the old on the all is, cle in behalf of our party and its candidates. Knowing as we did that, whatever Democratic parts C Web research Forces been supposed to noisess for electing litos at the election which has jet Indiana that here no bliff ear mind closed the October elections virtually de that the R i at we will of the t cided against the possibility of such success, and scorning to deceive our triends to $\Pi_{a} = c$ (i.e. c (i.e. their detriment, we at once indicated to they were under no remaind in the of them unmistakably our view of the situa | the rewn | icn c | The r | h ion. But while we desired that our friends what that was should be prepared for the revenie that was \$ By di rohi white me a sure to overtake us as the first Tuesday in November came, a great object was to e attained in making the popular vote for succeeded a chief to a l'r to a 16 to e Seymour and Blair as large in the nation the next lour years at Jacobin rule do not thoroughly di the people of the lightas possible; and, nothing daunted by the thoroughly distribution, the Courses, as he desperate situation, the Courses, as he destruction of the latter with Radical pulles of a latter with Radical pulles of a latter with Radical pulles of a latter with Radical pulles of the latt

be done to secure an ultimate and la ting And now the Presidential election have tion by force of arms. Cain slew his lng gone, as we expected it would, against the candidate of our party, let us glance rapidly at the situation. The Democratic party, though definated against the control of the situation of the party, though defeated, stands still before popular. intry a compact, vigorous, powerful The Rade is have won the white and determined organization If any one elephant, and have a little for for pears of its members feels his courage giving way on the White Hos. The n=t business beneath the weight of the recent calamity, In order i the a of (and he has but to contrast Democracy but a the increas of a little while since disorganized, disheartened | C We are badly whi | 1, a | are and almost disintegrated, with the splendld walth a patiently for some new paper wit organization which appears, on the day to say that the De soc stic party feels like coding inevitable defeat with an un- Lazarus who h we "licked by the dogs." daunted,unbroken front and "mighty as ab It will come. of the Constitution and the old Union has sustained defeat, but, so far from being conquered, it is more formidable than considered, it is note formeaster with the control of the control termined attitude, let them everywhere keep the fires of freedom brightly burning, and, our word for it, the Radicals have obtained over us their last national victory. The reaction in require anticont is recognized in the second of the constitution in require anticont in the second of the constitution in require anticont is required. The reaction in popular sentiment at the North, which has already added so vastly that it is lud. a r, account of our potency, will in no manner be arrest- hazy atmosphere. It it the "smoh of the ed or abated by the event which has just " fict." occurred. On the contrary, if Democrats remain true to themselves, their party, and the country—and who can doubt that such will be the cases it will still progre , and the tree mill a terril and or land, in increased ratio, until the fell and revols if all the a oh, of the lat comptionary spirit of Radicalism will be over from bi everta-the atternar. whelmed by the wave of patriotism.

not now be within our reach, much could look to the Democratic part, for relief

But before this can take place, it may be beked, will not the illustric of the people this tell in the Lib. in that party. Its policy and principles troops to age up they are at war with the best interests of the readiness upon the first approximation of the readiness upon people, and totally anbversive of the glorious system of free, republican government established by the fathers. That policy and those principles, however, we are full presch, in the first handless of their fatal issue. Elements of discord exist in the Radical party that would of themselves prevent such a catastrophe. The Radical party is not a unit for Radical principle; and the Radical Presidents. principle; and the Radical Presidential triumph which has just been obtained, was obtained rather by avoiding than inslating upon the doctrines to which Radicalism stood committed. Perhaps more than half
the leaders of the Radical party have been
influenced in their course, rather by
personal considerations and motives of
selfish ambition, than any with really. elfish ambition, than any wish really to make the revolutionary, opprossive and trained domain of the party with which they have co-operated the basis of our future governmental policy. Unless we are two as the basis of our future governmental policy. of Congress after the Inauguration of the new administration will demo trate, to the satisfaction of all, the want of harmo site in a prosecution of all, the want of harmo site in a prosecution of all the want of harmo site in a prosecution of all the want of harmo site in a prosecution of all the want of harmo site in a prosecution of all the want of harmonic and the prosecution of the prosecution of the new administration will demo trate, to ny and unity of purpose among our oppo-nents. While such men as Soumor, Wade ment of the party theories, their efforts will in a great measure be rendered u-availing through the opposition of a newly mark 171 developed conservative force, under the leadership of Henderson, Trumb II and others, aided and countenanced, as we have reason to believe, by the nw I'rel.

dent himself. In case of such division the Democratic members, who will be more numerous in the new Congress than in the new Congress that it is not that the new Congress than in the new Congress that the new Congr position to exercise no little influence and power for the country's good.

We have expressed our belief that Gen. and Jennish Grant, as I'm id t, will not be found car-

Grant, as Prind 1, will not be found carrying out or even count ancing the extrem policy of the Radical party 111 and the performance of the policy as a truly representative man, 11, (Lan 171), which is the performance before the presentative man, 11, (Lan 171), r. and they were induced to port him Testimony of itr A.F. Geoghegan Proprietor of alone on the ground of availability Wade.

Geoghegan - Hydrop per. Bingham or Benat Buttir himself would have been infinitely more to their taste II they had thought by the first taste II they had t had thought they could elect him Thou elected as the candidate of the Rank I party, Grant has at no time given in he al. hesion to the Radical falth. Up to le ginning of the war he had never given a y and again, during the progress of the wer, and after its close, his conduct evinced a disapproval of the arbitrary, oppressly If, as we conclude from his course at the surender, and is not at all lusprobable one of first things the new President do ord, to issue a pardon to Jefferson Dave, John C Brockmri wand there 1-10 ceeding, while it will go far toward 11 ing confidence in his admini to garded by them as a declaration of butties. Already Wendell Philips and other are whet ng their knive for the line 1 unless Gen tirant is willing to 11 1 1 1 1 self a lump of putty in the rhands in the party is inevitable
